Experience

● **January 2026 - Present**

House of Sadaqa, Sydney, Australia

Marketing Manager (Part-Time Consultant)

Leading brand strategy, campaigns and content across House of Sadaqah and its social enterprises, aligning purpose, community engagement and growth through clear narratives and impact-led marketing.

● **September 2017 - December 2025**

Cartel Media & PR, Lahore, Pakistan

Lead : Creative and Strategy

Initially: Strategist; promoted to Senior Strategist; to Lead: Creative and Strategy

Responsibilities entailed building structured PR processes, driving strategic brand communication, and delivering market-relevant solutions across the country's marketing landscape. I developed full 360° creative and PR strategies - storytelling, campaign concepts, media relations, and crisis communication - while leading ideation and execution of digital and social content to ensure high creative quality and cultural relevance. Served as the direct point of contact for major clients across major categories, including **Samsung, Xiaomi, TCL, Pepsi, Levi's, Honda, Haval, and PF Chang's** etc. Formulated and presented strategies to clientele, guided cross-functional teams, and supported agency growth through pitch development and scaling creative operations.

Key Achievements: Delivered multiple award-winning campaigns (2 Effie's and 2 Dragons for Best in PR) for top multinational brands.

● **June 2021 - December 2025**

Shark Talent, Lahore, Pakistan

Head Shark / Co-Founder

Led overall talent management and strategy for one of Pakistan's premier influencer management companies. Oversaw artist onboarding, contract negotiations, campaign planning, and brand-creator alignment. Managed high-value talent including top gamers and lifestyle influencers, driving partnerships with major multinational brands. Developed PR positioning, international collaborations, and internal operations to scale the talent division's growth.

● **March 2017 - August 2017**

Space Oddity Events and Advertising, Dubai, UAE

Marketing Research Analyst

Provided research based marketing solutions, overseeing production of social media content, designs and professional communication. Overlooking execution of research based solutions and managing B2B and 360° campaigns.
